 Entrust Education Improvement  Entrust Support Services Limited  @entrustEDU

**entrust**  
Inspiring Futures

## Are you up to date with the **latest developments** in education?

Entrust offers a range of CPD, including network meetings, covering a wide range of subjects and themes that enable schools and academies to keep up to date with the latest developments in primary and secondary education.

In this changing landscape of education, training courses and networking opportunities are a key part of school improvement. We use a blended approach to deliver our training including face-to-face, in house and e-learning opportunities and are constantly reviewing and developing our highly effective range of training incorporating changes to national agendas.

### **Bespoke training and consultancy**

These events can also be run in your school or academy for your whole department or school to attend. All of our teams delivering training are available for bespoke training and consultancy - call us on **0333 300 1900** or email [enquiries@entrust-ed.co.uk](mailto:enquiries@entrust-ed.co.uk) to find out more.

## **The New Digital Platform for Education Professionals**

**EducationSpace can provide you with whole school support, from education improvement, school leadership and governance to pupil experiences.**

*"EducationSpace will provide education professionals access to industry leading expertise, personalised support, mentoring, skills and knowledge. This digital offer enables universal access due to its flexibility and cost effectiveness."*

*- Jayne Thorpe, Entrust Director of Education*

# School Improvement

## Raise Attainment & Improve Outcomes

Empower and support staff to be confident and competent in delivering the best outcomes for children and young people.

## Improve Quality of Teaching, Learning & Assessment

Gain a deeper understanding of the curriculum, and how effective use of assessment can improve outcomes for children and young people.

## Effective Leadership

Continue to develop yourself in your subject area and inspire futures to maximise the potential of children and young people.

## Meet Statutory Requirements

Gain the necessary skills to ensure that all statutory requirements are met.

Have you tried...

**NQT space**

NQTSpace will enable NQTs to evaluate, develop and review their practice to meet the Teachers' Standards and more.
